

THE APOSTLE PAUL

2nd Annual Saturday Seminar

One has said, “Apart from the resurrection of Jesus Christ, the apostle Paul’s conversion to Christianity and his preaching of the same is the greatest testimony to the Christian faith.” That is certainly no understatement. Once a persecutor of the faith, Saul became Paul and through his Spirit led life he not only wrote of the Christian walk, he set the example. From his missionary journeys, the persecutions he endured, the labor he bestowed and his love of the brotherhood, Paul lived what he wrote in his Inspired epistles. God used this man mightily in the spread of the Gospel to both Jew and Gentile. His is a life worthy of our study and emulation. This year’s Saturday seminar will focus on the life of the apostle Paul. From Persecutor to Proclaimer, Penman to Victor, we will look at an incredibly well lived life for the Savior, Jesus the Christ.

We have some of the best preachers Northern Michigan has to offer teaching these lessons. Early birds will get to enjoy donuts and coffee, and lunch will be provided by the church.
